Kirk,

On behalf of The Northwest Association of Fire Trainers I would like to personally thank the Randy Carpenter Foundation for their \$2000.00 contribution to the Incident Safety Officers Course by Dave Dodson on September 15th and 16th 2007. This course gave 38 firefighters from all over the state 16 hours of the most valuable information on how to become safer and better firefighters. It also helped prepare 31 of them to take the Fire Department Safety Officer Association (FDSOA) Certification exam. Without the assistance of your association we could not have afforded to bring to Portland a national instructor of such caliber as Dave Dodson. Again thank you so much for the help.

Sincerely,

Captain Tom Crowder
